

## You Must NOT:

- Please do not crop your ID. It must show the ID in its entirety.
- Please ensure nothing is obscuring any part of the ID such as fingers or paper.
- Take a scan of a scan, it must be of the original ID Document not a photocopy.
- Have any other images or writing displaying on the scan.
- If you are uploading the image using a mobile device make sure the text is legible, the photo is taken in good light, the document fills the image and is flat without any reflections or glare.

Low quality, fuzzy out of focus

Uncropped with additional text

Bad crop, missing part of MRZ

Angled, poor light reflection

Thumb obscuring image
